

## **CPE for Accountants**

CPE credits are given based on a 50 minute session length. They are only given in whole and half increments. The promotional material's session descriptions list the amount of CPE available if a course is taken individually. However, if participants take multiple courses over the Conference, they are eligible for the total time of the combined sessions. For example, if a participant attends one 45 minute session, they will be granted .5 credits CPE. If the participant attends four 45 minute sessions, however, the attendee would receive 3.5 CPE credits. Certificates will be sent to participants after the Conference.

Not all sessions offer CPE. You must sign in and out of each session for which CPE is offered and desired and fill out the CPE-specific evaluation forms provided.
