

OPEN OFFER TO ALL NON-MEMBER RISK RETENTION GROUPS
Re RRG Non-Member Conference Incentive Program

October 5, 2021

To all Risk Retention Groups not members of NRRA:

This will be our first *in Person* conference in two years and promises to be a valuable event for all RRGs and especially non-members. This is an incentive you cannot refuse.

Here is how it will work:

Our registration fee for “non-member” RRGs will remain at our usual \$1099.00, (compared with our discounted rate of \$549.00 for NRRA members.) If after attending this conference, however, your RRG decides to join NRRA and does so before the end of 2021, you will receive a discount on your membership dues for the first year, representing the difference between what you paid to come to the conference and the membership registration fee of \$549.00. That is a **savings of \$550.00!** (Example: New Member dues - \$1750.00* - \$550.00 = \$1200.00)

Terms: The discount will only apply to the first attendee from your RRG company and will only apply to RRGs and not service providers. Even if you register late, we will accept the \$1099.00 rate. You also cannot pass up our **\$229.00 room rate** we will hold for you.

We are planning another great conference this year. We are planning it to be ***In Person, In Depth & In Vision!*** Visit us our website at <http://www.riskretention.org> for more details. Come witness the benefits of NRRA membership as we continue with money-making programs for you, positive developments at the NAIC, and favorable decisions before the courts.

Sincerely yours,

Joseph E. Deems,
Executive Director

*Calculated at the dues for a smaller company doing \$1-\$5M in GWP. See membership application on website at: www.riskretention.org
